This document is your Schedule of Benefits. If you enroll in this plan, this Schedule of Benefits will be an important part of your Policy. Your Policy describes in detail the services your plan covers, while the Schedule of Benefits describes what you pay for those services.

Please note that your plan may not cover all of your health care expenses, such as copayments and coinsurance. To understand what your plan covers, review your Policy. You may also have service area documents that expand or restrict your benefits.

For Covered Services to be paid at the level described in your Schedule of Benefits, they must be Medically Necessary. They must also meet all other criteria described in your Policy. Criteria may include Prior Authorization requirements.

If you have any questions about your benefits, or would like to find a Participating Provider near you, visit www.upmchealthplan.com. You can also call UPMC Health Plan Member Services at the phone number on the back of your member ID card.

For more information on your plan, please refer to the final page of this document.

At this point, only that person on the plan is considered to have met the Deductible; OR • When a combination of family members' expenses reaches the family Deductible.
